

A future of
Robots@DIAG
for everyone

26 November 2014, 10:00-13:00
DIAG, via Ariosto 25, Roma

In the context of the 4th edition of the [euRobotics Week](#), promoted by euRobotics aisbl - The European association for a Public-Private Partnership in robotics, DIAG opens its robotics laboratories. In particular, we will illustrate our research activities on articulated manipulators, mobile robots, humanoids, autonomous flying vehicles and soccer robots.
